Dear Responsible Officer,

Publication of Qualifications Wales Monetary Penalties Policy

We are writing to inform you that we have published the following documents:

- [Qualifications Wales Monetary Penalties Policy](#)
- [Consultation on Monetary Penalties Policy - Report of decisions taken following consultation.](#)

Between November 2017 and February 2018, we ran a 12-week consultation on a range of enforcement policies, including our new draft Monetary Penalties Policy. Since the consultation closed, we have analysed responses and undertaken further policy development work. This work, along with the responses to the consultation, have helped us further refine our policy statement and clarify how we communicate our requirements. We would like to thank those of you who responded.

Our ability to issue monetary penalties is determined by Regulations approved by the National Assembly for Wales. We noted in our consultation report that we would publish our Monetary Penalties Policy after those Regulations had been consulted upon by Welsh Government and subsequently approved by the National Assembly for Wales. These [Regulations](#) were approved on 2 April and subsequently came into force on 12 April 2019.

Our report outlines the changes that have been made to the policy post-consultation along with our Monetary Penalties Policy which can be found on our website.

Yours sincerely,

Jo Richards
