## 2023/24 Welsh Language Support Grant

Dear Responsible Officer,

The application process for the Welsh Language Support Grant is now open.

The grant is designed to assist recognised awarding bodies to make designated qualifications available in Welsh.

Please note a review of the Welsh Language Support Grant has taken place and some revisions have been made to the Application Guidance and Application Pack documents for the 2023/24 grant year. The changes include:

- Replacing the grant categories with a clear list of sub-priority features, to help streamline and simplify the application process.
- Aligning the sub-priority features more closely with our approach to target post-16 vocational qualifications in strategic priority areas.
- Strengthening the Grant Conditions by including a requirement for awarding bodies to collect and share data and/or information with Qualifications Wales in order to enable us to monitor the impact of grant funding on the uptake of qualifications through the medium of Welsh.

Please see the underlined text within Application Guidance for further information about these changes.
