Dear Responsible Officer

**Expressions of interest for the development of Level 3 and Level 4 Commercial Procurement competency qualifications**

Welsh Government has recently started the development of new Level 3 and Level 4 Commercial Procurement apprenticeship frameworks for Wales. These new frameworks do not currently have competency qualifications included on them and we have been approached by the Commercial and Procurement Department at Welsh Government to seek expressions of interest from recognised awarding bodies in Wales to develop suitable Level 3 and Level 4 Commercial Procurement competency qualifications for inclusion on the new frameworks.

The Commercial and Procurement Department at Welsh Government, who has already established a stakeholder panel to support this development work, has expressed an interest in working with interested awarding bodies to develop the new qualifications. Information on the background and progress of the project so far can be found in the supplementary document provided by Welsh Government.

If you would like to express an interest in developing these qualifications, or further discuss this request, please contact [vicki.stockton@qualifications.wales](mailto:vicki.stockton@qualifications.wales) by 31<sup>st</sup> August 2023.

Yours sincerely

Vicki Stockton  
Qualifications Manager
